

Earn funds for Santa's Gift when you bank with National City.

Now you can help your organization raise funds simply by opening a National City checking or savings account.¹ Your affiliation with the organization makes you eligible to participate in our CommUNITY Banking program.

Here's how it works:

When you open a new account, National City will make a one-time contribution per account to your organization. Then, your organization will continue to earn funds on an ongoing basis, as National City contributes an amount equal to a percentage of the total interest paid annually on your account.² Imagine the funds you can raise if you and several other members participate!

Visit us or call 1-800-925-9259 to open your account(s). If you already bank with National City, just ask us to link your account to your organization, and you'll begin raising funds for your organization. It's that easy.

Your local National City branch has complete information:

401 Ogden Ave.
Downers Grove, IL 60515
Stacy Sullivan, Vice President
Reference CommUNITY Number 519

Enjoy these great benefits, too

- Our free, industry-leading banking rewards program, **points from National City®**, is available with several banking accounts and services
- Use our convenient Switch Service to move your account from another bank

National City®

¹Must meet normal account opening requirements. Business accounts are not eligible.

²The matching contribution does not affect the amount of interest earned by the accountholder.
